A Capital Campaign Committee has formed and could use 1-2 more community members. If interested on being on the Capital Campaign Committee or other committees moving forward, please email our Library Director Angie at director@spoonerlibrary.org.

A capital campaign and estimated cost will be forthcoming. Our campaign slogan is: **Expanding for Books & Beyond.**

COMMUNITY CONVERSATION: June 29, 1:00–3:00 p.m.

Spooner Memorial Library has been selected as one of 310 libraries to participate in round two of Libraries Transforming Communities: Accessible Small and Rural Communities, an American Library Association (ALA) initiative that provides community engagement and accessibility resources to small and rural libraries to help them better serve people with disabilities.

Part of the \$10,000 grant includes a One Book, One Community event based on the book "Disability Visibility: First-Person Stories from the Twenty-First Century," edited by Alice Wong. Individuals from the disabled community will lead a conversation about accessibility in our community and the book will be discussed.

There is power in a community reading the same book. Kirkus Reviews says the following about the book:

"Wong's discerning selections, bolstered by the activism that shines through, will educate and inspire readers."

As Needed

Feed My People Food Bank and Spoooner Library have partnered to provide food bags to community members. These bags are available to anyone in need and are located on the bench in the entry way of the library during library hours.

If taking a bag, please self document what you took on the clipboard near the bench. Names will not be collected. This helps us document the need in our area to continue to provide this program.
